

# ARROWCORPS<sup>5</sup>

A HIGHER ADVENTURE

## 2008 National Service Project

The Order of the Arrow has had a long-standing interest in coordinating a national service project, utilizing the infrastructure and leadership established over many years of success at the Boy Scouts of America's high adventure bases. Working closely together, the United States Forest Service and the OA have chosen five project sites, spread across America that will be the focus of our combined efforts. *ArrowCorps<sup>5</sup>* will provide a once-in-a-lifetime opportunity for each participant to set an example of leadership in service to those who treasure our national forests.

Five thousand physically fit and able volunteers (determined by the "Philmont Height & Weight Limits for Backpacking & Hiking"), made up of youth and adults, will participate.

The National Order of the Arrow Committee and key sponsors will fund these projects. Participants will pay a \$250 fee to help pay for accommodations, meals, and a full day of recreational activities during the projects.
