

ArrowCorps⁵

George Washington and Jefferson Staff Update #4

May 16, 2008

To: George Washington & Jefferson *ArrowCorps⁵* Staff
From: Geoff Landau, Youth Incident Commander

Our site's project takes place in a little over a month, so please make sure all your travel plans are together and your registration fee is paid. I look forward to seeing all of you mid June.

REGISTRATION PAYMENT: Currently, 80% of our staff has paid. If you have not paid, do so ASAP. If you have any questions contact your respective area leader.

MEDICAL FORM: I've learned that some of you completed the Class III medical form before the publication of the *ArrowCorps⁵* medical form. The doctor signed Class III is acceptable, but please download and complete the new *ArrowCorps⁵* medical form. Because it contains additional information, please attach it to your Class III signed form.

CHECK IN LOCATION: All Staff will be checking in to *ArrowCorps⁵* at Goshen Scout Reservation's Main Post. Just a reminder, your first meal will be dinner on your scheduled check in day.

SQUAD LEADERS: Please arrive on June 20th anywhere between 1:00 – 3:00 PM.

SUPPORT STAFF: Please arrive on your scheduled date of arrival. Please direct any questions regarding this date to your area leader, whose contact information is found below.

NEEDED ITEMS: We *STILL* need your help! We have not gotten the response that was hoped for in the 2nd Update and are still looking for equipment needed to make our project successful. If you can bring with you the following items, it would be much appreciated. They are:

- 10 gas-powered weed wackers with cutter blades
- 5-gallon igloo water coolers
- Ice chests: 40 – 50 qt capacity
- Gas cans: 1 or 2.5 gal. size
- Generators: 3500 watt min. and support power cords

If you have any of these and can help, please notify Tom Watson, Logistic Section Chief, at tom.watson@comcast.net.

We also need One (1) SM Selectable ratio Sign engraver or similar. Contact Skip Johnson, Chief Carpenter, at cell # 239-691-5590.

GET THE WORD OUT: We have made every effort to reach out to all our staff members and keep them up to date on all information regarding *ArrowCorps⁵*. However, we realize that people change

Email addresses. If you know of a staff member that did not receive this *Update*, please have them email us so that we can provide them with information.

STAFF SHUTTLE: Be sure to mail the staff shuttle transmittal form to the National Office by June 1, and do not forget to Email your flight information to Ken Davis: daviskenjared@aol.com.

FRIENDLY REMINDER: If you have been assigned to the James River or Warm Springs Ranger District project sites, you must come prepared, as required by the U.S.F.S, with a long sleeve shirt, pants, ankle high boots, and a backpacking or similar style tent.
