What It Is

This brand-new program is designed to make excellent trainers out of good trainers. Participants will be better speakers, more confident and poised, and able to lead trainings where people walk away having enjoyed learning something new.

Who Can Participate

Each lodge can submit one youth to participate. The course is limited to just 50 participants!

When It Happens

The course will be from 9am-12noon Sunday, Monday, and Tuesday, plus some of the morning at Founder's Day.

How It Works

A superb team of presenters, facilitators, and trainers will lead the Train-the-Trainer course. Participants will experience a breakthrough in their ability to lead effective and powerful training sessions through video feedback, small group talks, linguistic training, listening exercises, and other tools.
