Incorrect: No moccasins; leather soft sole moccasins; sneakers

**Item 6: OVERALL: Does the outfit have the right “look”?** (20)\_\_\_\_\_

Does it look complete? Is it consistent? Does it represent a “tribal” style?

**FINAL SCORE** (90)\_\_\_\_\_

**Ribbon Scale**

White 1-24; Red 25-49 Blue 50-73 Gold 74-90

### **A note about outfits:**

The most important thing about a modern Straight Dance outfit is its overall look. Outfits are meant to be danced in, not to be judged in a still position. The components of your outfit should move well when you dance and work to enhance your dancing style. For this reason, materials, size, shape, and placement of the individual outfit components listed above must be in order. When specific materials are called for—such as broadcloth, beadwork, or finger woven yarn work, - an adequate substitution of cloth, sequins, painted material, or plastic canvas cross-stitch can be use. However, proper colors, designs, and proportions must be in place for the article to get maximum points from the judge.

This form is not just a scoring sheet; it is a resource for you to constantly improve your outfit to be the best that it can be. When you look at the individual scores on items 1-7 as well as the overall score, think of what you could do differently next time to improve each item by just a few points. Our goal as the NOAC Straight Dance staff is to elevate your outfit to a higher level of quality each time you dance. By continually improving your outfit, your individual dance style will improve as well.

### **A Note to all contestants:**

This form is designed to outline what a Straight dancer would wear at a contemporary powwow. It represents the norm as defined by modern dancers in Oklahoma and across the country. Some relevant works on the subject of Straight dancing outfits include:

- (1) "Men's Southern Straight Dance." DVD video, Full Circle Communications.
- (2) Many articles in past "Hobbyist" publications, including *The American Indian Hobbyist*; *American Indian Traditions*; *American Indian Crafts & Culture*; *Moccasin Tracks*, and *Whispering Wind Magazine*. Although most of the above listed magazines are out of print, Xeroxed copies of the various articles mentioned are available.

Be aware that although a printed or recorded work may have been relevant at the time of its making, Straight Dance is an ever-changing dance style and these works can sometimes become outdated within a short period of time. If possible, attend powwows and notice the subtle trends being added to Straight Dance outfits of today. If you live in an area where it is difficult to attend powwows, you can use resources such as powwows.com and YouTube to view photos and video footage of powwow dancers. Please be respectful of other's outfits. Model your outfit after contemporary dancers, but do not copy specific designs.

The history of the Straight Dance is one of the most fascinating and well documented of all the men's dance styles. While these outfits of the past have their place in history, many of the components are not appropriate for contemporary dance styles. Stay current and up-to-date on your outfit style.
