

# Individual and Team Ceremonial Coaching

If an individual or ceremony team desires additional help or instruction on a particular ceremony character or ceremony, they can receive individual coaching.

Individuals or entire teams will be paired with a Ceremony Evaluator who will offer feedback on any portion of any ceremony desired. Costumes are optional but not required to participate in Individual Coaching.

Individual Coaching procedures at NOAC 2012:

1. Individual Coaching will take place Tuesday, Wednesday and Thursday 8:30 AM to 11:30 AM in three sessions that mirror the schedule of the other NOAC training sessions. The sessions are 60 minutes in length.
2. A Ceremony Evaluator will be paired with individual(s) or a team for coaching.
3. If a ceremony team is missing one or two principles they can still receive individual coaching.
4. Participation in Individual Coaching does not constitute participation in a Ceremony Evaluation or Competition that is eligible for recognition. Evaluations and Competitions are a separate process detailed elsewhere.
5. Those interested in Individual Coaching should sign up in advance on the NOAC website at the same time they register for training sessions and other events. Only one team member needs to sign-up to secure a spot for Individual Coaching.
6. Participants can call or visit the ICE Evaluations Office to schedule an individual coaching session. Walk-ins are welcome but unless an Individual Coaching session is scheduled in advance, we cannot guarantee that we will have staff available.
